The Creekside Cabana Club

March 2017

Message From Sue Peredo: Pool Manager

It may still be a bit chilly and rainy outside, but that is not stopping your Creekside Cabana Club staff from already working to prepare for an awesome 2017 season. I will be returning as your Manager and we have two new Assistant Managers: Zac Claunch and Kayla Long. We've hired our gate guards, lifeguards and swim instructors who are eager and excited to begin our new season. We're busy getting properly certified and practicing our skills so we can keep our members and guests safe and happy.

May 6th, 2017 is our Opening Day and we look forward to serving you and your families! If you plan to have a summer party in our outside BBQ and pool area, you can reserve your date starting May 6th. Please be prepared to show that your dues have been paid and that your 2017 emergency form has been filled out. Also, you can register your child for group swim lessons. You can find a registration form on page 11 of this newsletter. If interested, please bring the form and payment to our office starting May 6th.

Our office and pool hours for this season will be as follows. We will be open from 12 noon until 7 pm on weekends in May. After Memorial Day and until June 9th, we will be open daily, from 3 pm to 5 pm on weekdays and from 12 noon to 7 pm on weekends. From June 10th until August 13th, we will be open 7 days a week from 12 noon to 8 pm. From August 14th until September 1st, once school starts up again, we will still be open daily from 4 pm to 7 pm on weekdays and from 12 noon to 7 pm on weekends. For the month of September, we will only be open on weekends from 12 noon to 7 pm.

So, get ready to swim, soak in the sun, enjoy parties and most importantly, hang out with your neighbors and friends at our Creekside Cabana Club!

Looking forward to seeing many of you at the pool,
Sue Peredo

TIME TO SPRING AHEAD!

Daylight Saving Time begins on Sunday, March 12, 2017 at 2:00 am. So don't forget to set your clocks forward one hour before you go to bed on Saturday, March 11th!

A Note From Our Associate Membership Chairperson, Denelle Fedor

Welcome Associate Members! Specifically, a warm 'Welcome Back' to the **Grasso Family, Anderson Family, Mula Family, Espinoza Family** and the **Grassi Family**! I hope that everyone is doing well and staying dry and safe during these winter months. I have mailed the 2017 Associate Membership renewal letter with emergency form to all 2016 members. You should have received these two items in either a bright yellow or green envelope. If you did not, please make sure to contact me ASAP! The Associate Membership fee for the 2017 season is the same as last year, \$400 and non-refundable. Payment must be made in full by March 15, 2017 and your emergency form must accompany your membership check. Emergency forms must be filled out EVERY YEAR EVEN IF NOTHING HAS CHANGED FROM PRIOR YEARS! As shared in the renewal letter, payment along with the 2017 emergency form should be sent to the following address:

**Creekside Cabana Club, Associate Membership
C/o Denelle Fedor 3615 Cour Du Vin San Jose, CA 95148**

As you know, there are many incentives to being an Associate Member at the Creekside Cabana Club such as reduced rates on swim lessons, being on the swim team (Member's children between the ages of 4 and 18 are eligible to join the Creekside "Cudas" Swim Team. If interested, you can view their website at www.creeksidecudas.com or email the team at parentreps@creeksidecudas.com), the ability to rent the clubhouse, access to the barbecues, being able to bring guests for only \$2 per person, social events/potlucks and of course, the pool itself for those hot summer days. Yes, while it's hard to believe with the current weather, we are expected to have a hot summer! And the Cabana Club makes for a wonderful retreat to sit by the pool, read a book and enjoy the beautiful summer weather.

The below are some friendly reminders regarding our policies as an associate member:

- ♦ **March 15th is the deadline for existing members to renew their memberships. After this date, associate memberships will be sold on a first come, first serve basis.**
- ♦ **Once payment has been received, an email will be sent to you from me confirming your membership. Please hang onto this email as it also serves as your receipt.**
- ♦ **There is no "pro-rating" of membership rates after the season begins.**
- ♦ **In order for your children to be on the Creekside Cabana Club Swim Team, you MUST be an Associate Member. Absolutely no exceptions!**

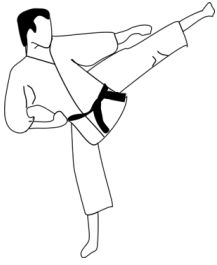

For any questions or further information, feel free to contact me directly on my cell phone (text or call) at 408-426-7891 or by email at denellefedor@sbcglobal.net. Please note that I work during the day and some nights but that my goal is to respond within 24 hours. Thanks in advance for your understanding. We sure hope to see all of you poolside come May. Here's to a fun 2017 Creekside Cabana Club Summer Season!

HELP SAVE OUR EVERGREEN SCHOOLS!

As many of you know, due to a decline in student enrollment, Evergreen School District may be closing 1-2 schools in the Central West region. The schools being considered for this are Laurelwood, Cadwallader, Dove Hill, Montgomery and JFS. Recently, many of you also signed a petition and participated in a survey posted on Nextdoor so for that we say "Thank You" as it shows the FAC (Facilities Advisory Committee) and School Board that we have a voice and will be heard! Thanks to Mylinh Chan who put countless hours into coming up with alternative proposals. These solid ideas about how to attract students to stay in public schools, specifically in our district, instead of going to private or charter schools have been submitted. There will be two public meetings in March where the FAC will be speaking to the public and which will be open for public comment. Over 60 people attended the last school board meeting and 12 people spoke out about the potential school closures (repurposing) which got the trustee's attention. It let them know that the residents will not sit back and let this happen. If you are a concerned citizen, please consider attending one or both of these meetings. The first is tentatively scheduled for **March 14, 2017** at Montgomery School from 6:30pm—8pm and the second is tentively scheduled for **March 24, 2017** at Leyva Middle School from 6:30pm—8pm. Not only will potential closures of these schools effect those of us who have children but also the property values for those of us who do not if they allow it to be vacant for a while or turn it into a continuation school. They want to use the school for revenue generation rather than to protect our neighborhoods by doing such things as opening up Yerba Buena Ave to Yerba Buena Rd. again when we already have problems with people racing up and down our street. Closure is not in effect for another couple of years but they have other options to take like repurposing the vacant land on San Felipe. A decision will not be finalized until April so we still have time to make our voices heard!

Message From Your Cuda Parent Reps

Hello Creekside Neighborhood! While the rain has been great for the drought, we cannot wait for the summer months to come! We are tremendously excited for the 2017 Creekside Cuda season to start. The start of the season begins with our Parent Information meeting and then in the pool we go. While we are expecting a cool spring, just like the seasons before, we will still be offering a beginners clinic. We will be kicking off our season with our Wine and Pasta

Fundraiser (see details below). This has always been a crowd favorite and we expect it to be no different this year with magnificent food, wine and gift baskets. There will be additional social and fundraising events throughout the season and thus more fun times to come. We hope you mark your calendars and plan on joining us for all the fun! We look forward to being your Cuda Parent Reps this season and as always, we are available to answer any questions which you may have and help to point you in the right direction. You can also reach us via email anytime at parentreps@creeksidecudas.com. Our motto: **EAT, SLEEP & SWIM !!!!**

Message From Your Coach, Marissa Gonzalez

Hi my name is Coach Marissa! This is my 6th season with Creekside. I'm happy to see many new, as well as familiar faces this year and I look forward to the 2017 season! Five and a half years ago when I first started coaching for Creekside, I didn't know what to expect my future as a coach to look like. Here 5 seasons later, I am honored to say that we have introduced a brand new program to the club. In September 2016, we started our winter conditioning program which allowed swimmers to stay in shape and work on technique, speed, and race plans. This program was 5 months of extra training split into 2 sessions. I was pleased with the amount of swimmers we had join this program. The 2017 season is going to be a good one! The swimmers have put a lot of time and effort into their swimming and I can't wait to see what they do at our first meet. Over the past couple of years, our focus has been on technique. This year our focus will be on endurance and speed. While still holding onto good technique, we will add more speed work sets and attack those 25's and 50's. Welcome back to Creekside. Let's GO CUDAS!!!

2017 SHARKS CITY NATIONALS Karate Tournament

The annual Sharks City Nationals were held in San Jose in February. Over 60 competitors from the Dragon Cloud Dojo competed in this prestigious event!

Many of our beginner and intermediate students participated in Forms (KATA) in this year's tournament in the "First-Timer" division. This division gets the student ready for "Regular" divisions. All students worked hard during the month of January to prepare for this tournament. There are rules and protocol when they compete. The rings have 3 judges who score each person after they complete their kata. The student must bow into the ring, walk up to the judges, tell them their name as well as the kata they will be performing, and lastly ask permission to begin their Form. The student then backs up in the ring, bows, and starts their Form. The judges are looking for power, sequencing, stances, movement, and attitude. We also had some of our White belts along with our Yellow belts compete in Point-Fighting (KUMITE) at the tournament which resulted in taking home 2 metals for their divisions! Lastly, some of our intermediate and advanced students competed in Weapons (KOBUDO) as well as in Point-Fighting in this year's tournament.

At the conclusion of the tournament, Dragon Cloud Creekside was awarded the "Most Supportive School" which was a great honor. Dragon Cloud Creekside has always been very competitive. Every year, students showcase their tremendous amount of skill by participating in karate tournaments as well as competing with students from many schools from all over the greater Bay Area. We are so proud of these dedicated Martial artists who give their time to practice so they can become better in the Art. Respect and Discipline are just a couple of our training rules. All in all, it was truly a wonderful experience for all of us!

Again, a huge **CONGRATULATIONS** to our School of Martial Arts, Dragon Cloud Dojo!
