The Creekside Cabana Club

April 2019

COME JOIN US FOR CLEANUP DAY @ THE CABANA CLUB AND HELP GET IT READY FOR THE SEASON!

Opening Day for the Creekside Cabana Club is just around the corner and will take place on Saturday, May 4th! With that said, we will be having a **cleanup**

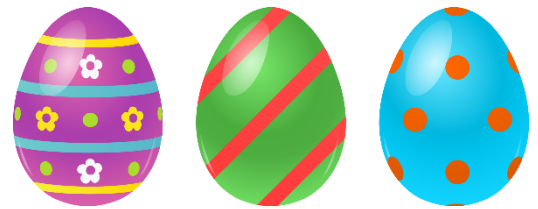

day to get the club ready for the 2019 season on Saturday, April 27th from 10am to 3pm. We invite anybody in the community who would like to help us out with this to come join us at the club. The staff at the Creekside Cabana Club would love to see as many of you volunteer and would be very appreciative of any amount of time you may have available that day to help prepare the club for what should be another fantastic season!

CPR CLASS AT THE CABANA CLUB IS BACK SO DON'T MISS OUT!

Do you or someone you know need to be certified in CPR and First Aid? Back by popular demand, the Creekside Cabana Club is once again offering this annual

certification class so don't miss out on this great opportunity to learn, practice and master these potentially lifesaving and valuable skills! The class will take place from 9 am to 2 pm in the clubhouse on Sunday, April 28, 2019. We warmly welcome back our neighborhood friend and firefighter, Mike Gomez, who has offered this class in the past and has agreed to offer it again. The cost is \$65 per person for a spot in the class. Make sure to bring a lunch or snack and come wearing comfortable clothes that allow you to sit on the floor. To register, contact our pool manager Ivonne Luescher at: creeksidecabanaclub@gmail.com. This class is limited to the first 20 people so don't wait and claim your spot while spaces are still available!

Note From Our Pool Manager, Ivonne Luescher

We've got our staff selected and are looking forward to opening day happening on Saturday, May 4th! We hope that you are just as excited as we are for the Creekside Cabana Club to officially open so that you can come and enjoy the sun in our relaxing shaded grass area and take a dip in the pool once it warms up a little. Also, the Cabana Club is a great place to host your next summer pool party. You can get a head start by reviewing and filling out the barbeque and picnic area reservation form which can be found on our website at creeksidecabanaclub.com. From there, bring the filled out form directly to the Cabana Club anytime from May 4th on and one of our staff members will help you to complete the process of booking your pool party. Members can book picnic tables for parties up to 75 guests. Please note that the booking of the barbeque and picnic area is **COMPLETELY SEPARATE** from the booking of the clubhouse as this can be confusing. If you are interested in booking the clubhouse at the Cabana Club, that is handled by Cyndee Farstad and the actual booking can be done online whereas the **actual booking for the barbeque and picnic area has to be done at the Cabana Club** with the proper form as referenced above filled out.

As we prepare for what should be a great season, we already have a few things in store for you to look forward to. For starters, we would love for you all to join us at the Cabana Club from 12 noon until 8pm on Monday, May 27th to celebrate Memorial Day with us again this year! As in the past, we have plans for lots of fun in the sun including games and relay races for all ages. We will also once again be offering our infamous \$1 root beer floats for sale at the pool. You won't want to miss out on this tasty and refreshing treat while having the chance to relax and mingle with your Creekside neighbors! Also, as has been done in the past, we will once again be offering our swim lessons starting June 3rd. There will be a total of 6 sessions being offered with the sixth one, from August 12th to August 22nd, being dependent on the availability of our staff. Each session is two weeks long and there are a total of 8 classes per session, Monday through Thursday, that are each 30 minutes in duration. If interested, please contact me, Ivonne, at creeksidecabanaclub@gmail.com. The swim lesson registration form can also be found on page 10 of this newsletter. One friendly reminder though is that before you can register for swim lessons or come make use of the pool, you must be prepared to show that your dues have been paid and that your **2019 emergency form has been filled out**. You can find a copy of the 2019 emergency form on page 11 of this newsletter should you still need to fill one out. Feel free to bring the filled out 2019 emergency form with you on your first visit to the pool or mailing it to the Cabana Club ahead of time. This year, we also plan to have a movie night on the grass in late June and again in July. Finally, if anyone has suggestions on activities you would like to see at the Cabana Club, please see one of our managers or send us an email. We want to make Creekside Cabana Club "the place to be" for our community this summer! And because we live in such a wonderful community, I hope that you do take advantage of our club this summer as it is here for all of us to use and above all enjoy! As I have said before, I view it as a fun and relaxing place that many communities would be jealous of as there are not that many more around. I look very forward to seeing everybody, both old and new, back at the pool once we officially open on May 4th!

If interested, you can view their website at www.creeksidecudas.com or email the team at parentreps@creeksidecudas.com), being able to bring guests for only \$3 per person, the ability to rent the clubhouse, access to the barbeques, social events/potlucks and of course, the pool itself for those hot summer days. Finally, the Cabana Club makes for a wonderful retreat to sit by the pool, read a book and enjoy the beautiful summer weather.

The below are some friendly reminders regarding our policies as an associate member:

- ◆ **There is still time to join or rejoin and associate memberships will now be sold on a first come, first serve basis.**
- ◆ **Once payment has been received, an email will be sent to you from me confirming your membership. Please hang onto this email as it also serves as your receipt.**

Message From Your Coach, Marissa Gonzalez

The swim season is officially under way! We had new beginner tryouts a few weeks ago and we are so excited to announce that we gained 9 new Cudas not including the 5 new Cudas from winter conditioning! I would personally like to say 'Congratulations and welcome to the Cuda family' to all of our new swimmers.

Our team is already working so hard to prepare for this season. Right now, we are breaking down our strokes and focusing on our technique and turns. This year with our focus being on 'Race Planning', we will really be working on fast and strong finishes for our 10 and under swimmers swimming 25s. For our 11 and up swimmers, our main focus will be swimming 50s flip turns as well as open turns. Our coaching staff wants to see our team plan out each race and know exactly how to attack it! So far after only a few weeks of being in the water, I think that we are already looking good and are on track to have another great season! So much improvement in so little time tells me we are off to a really great start and I can't wait to see what the rest of the season holds for us!

The SHARK CITY NATIONALS Karate Tournament

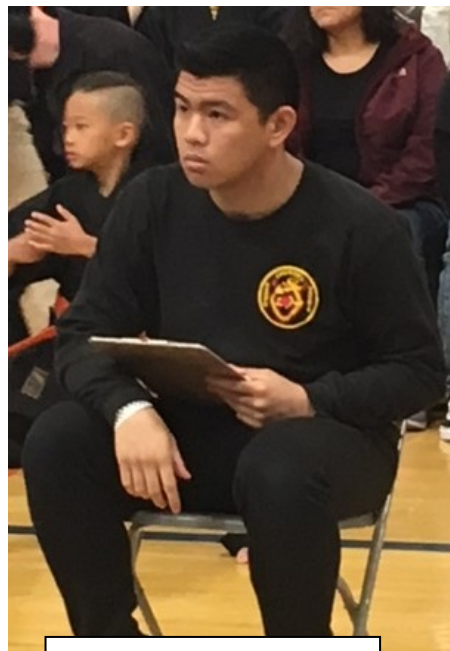

The prestigious SHARK CITY NATIONALS Karate tournament was held in San Jose on March 16th. The Dragon Cloud Dojo at Creekside came out in full force that day to compete in Kata (forms), Kumite (fighting) and Kobudo (weaponry). Some students are now competing in more than one division which takes a lot of skill and dedication in their training.

Competition is just another aspect of training. Competitors train in their forms, to get better in their stances, punches, kicks, handstrikes, power and attitude to perform in front of spectators and 3 official judges who score each competitor. Point-fighters hone their skills in the dojo each week as well by sparring with each other to make progress in getting quicker with their punches and kicks as they work on being “first” to hit the point target area on the opponent’s body. Our weapons competitors practice maneuvering their specific weapon over and over whether it be with the Bo Staff, the Kama's or the Sai's. Students work on form as they simulate fighting with an opponent who is empty handed or has a weapon in hand as well. There are also rules and traditions that are learned and followed. Respect is Dragon Cloud's number one “Rule of Training”. Respectfulness is always shown to parents, other competitors, as well as judges, officials, and all martial arts instructors.

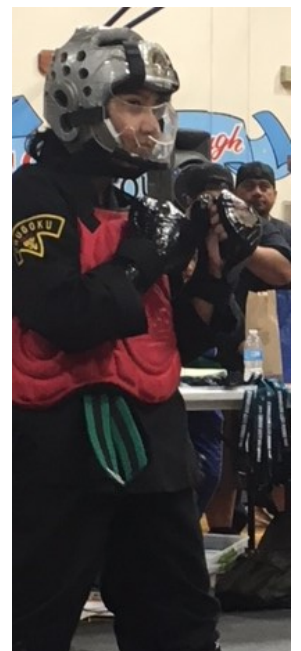

Sensei James and Deborah are so very proud of these dedicated students. The Dragon Cloud School was awarded a beautiful marble trophy cup for “The Most Supportive School” that day as well! Congratulations to Dragon Cloud School as well as to all the competitors for a job well done!
