Bike Match: Get a Bike, Give a Bike, Fix a Bike

YOU MAY HAVE A SOLUTION TO A PROBLEM!

#BikeMatchSV

The bicycle is the perfect sustainable transportation vehicle, especially so during this global pandemic when public transportation is compromised and car payments are difficult.

That is why Silicon Valley Bicycle Exchange (SVBE), Silicon Valley Bicycle Coalition (SVBC), and most recently, GreenTown Los Altos have teamed up to offer essential bikes to essential workers in need of transportation and here are ways you can get involved: 1) GET A BIKE: Can't afford a bike but need one to get to your job or to get around? Fill out our form and we'll try to match you with a bike. 2) GIVE A BIKE:

Have an unused bike? If it's in perfect working order, we'll match you with a recipient. If it needs a bit of work, SVBE will refurbish the bike and give it new life for you. They will even make an appointment for you to drop it off. 3) FIX A BIKE: Want to help with the effort? You can make a donation to cover the cost of bike parts (the average bike we refurbish requires \$40 in parts) or you can help us tune-up the bikes by taking a few home to work on. To find out more about how you can help with this great cause, go to <https://bikex.org/index.php>.

CORONAVIRUS HEALTH TIPS:

KNOW HOW IT SPREADS:

1. The virus is thought to **spread mainly from person-to-person** and specifically between people who are in close contact with one another (within about 6 feet). It spreads through respiratory droplets produced when an infected person coughs, sneezes or speaks. These droplets can land in the mouths or noses or possibly be inhaled into the lungs of people nearby. Some studies even suggest that COVID-19 may be spread by people who are not showing symptoms (asymptomatic).
2. It is also thought that a person can get COVID-19 by **touching a surface or object that has the virus on it** and then touching their own mouth, nose, or possibly their eyes.

PRECAUTIONS YOU CAN TAKE:

1. **MAINTAIN GOOD SOCIAL DISTANCE:** Put distance, at least 6 feet (about 2 arms' length), between yourself and other people. Remember that some people without symptoms may be able to spread the virus. Keeping distance from others is especially important for older adults and people of any age who have serious underlying medical conditions.
2. **NO HANDSHAKING!** Better not to touch at all, but if you must then bump forearms or feet. Use **ONLY** your knuckle or elbow to touch light switches, elevator buttons, etc. Also, when you go to fill your car with gas, lift the gasoline dispenser with a paper towel or use a disposable glove. When and if you can, open doors with your closed fist, elbow, foot, or hip. If possible, try not to grab handles with your bare hand but rather use gloves. This is especially essential in high traffic areas such as public bathrooms or any commercial establishment that does not have automatic doors.
3. **ROUTINELY CLEAN AND DISINFECT:** Clean **AND** disinfect **frequently touched surfaces daily**. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets and sinks. If surfaces are dirty, then clean them first with detergent or soap and water prior to disinfecting them. Use a EPA-registered household disinfectant to disinfect. At retail establishments use disinfectant wipes for your hands and make sure to wipe the handle and child seat in grocery carts as well.
4. **WASH YOUR HANDS OFTEN:** Wash your hands often with soap and water for at least 20 seconds especially after an activity where you have been in a public place or after blowing your nose, coughing or sneezing. If soap and water are not available, **use a hand sanitizer that contains at least 60% alcohol** and cover all surfaces of your hands and rub them together until they feel dry. It is a good idea to keep hand sanitizer readily available in the car or your purse for when you are unable to immediately wash your hands. **Avoid touching your eyes, nose, and mouth** with unwashed hands.
5. **COVER YOUR MOUTH AND NOSE WITH A CLOTH FACE COVER WHEN AROUND OTHERS:** Everybody should wear a cloth face mask when they go out in public except for young children under the age of 2 or anyone that can't remove it themselves or has trouble breathing. The cloth face cover is meant to protect other people in case you are infected and not a substitute for social distancing. To learn how to sew a face mask check out <https://www.craftpassion.com/face-mask-sewing-pattern>.
6. **COVER COUGHS AND SNEEZES:** If you are not wearing a face cover, remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
7. **MONITOR YOUR HEALTH:** Be alert for symptoms such as fever, cough and/or shortness of breath especially in places where it is difficult to keep a physical distance of 6 feet. Take your temperature if symptoms develop but **NOT** within 30 minutes of exercising or after taking medications like acetaminophen that lower your temperature. Make sure to follow CDC guidance if symptoms develop.

Note From Our Pool Manager, Ivonne Luescher

Hello Creekside! First of all, I want to start by once again saying a big “THANK YOU” to all the health care workers, EMS, police and fire personnel working the frontlines that are continuing to keep us safe during these unprecedented and difficult times in our neighborhood and around the globe. I also would like to thank all the good Samaritans in our neighborhood and around the globe who have risked themselves to help the less fortunate and most vulnerable such as the elderly who are homebound at this time. You may have noticed that the Creekside Cabana Club still has not been able to reopen as of this point. However, Santa Clara County just announced that on June 5, 2020 it will begin a new Shelter in Place phase allowing places such as public pools to reopen safely with significant limitations and social distancing. We are just waiting to hear the requirements to enable reopening, so that we can proceed in the safest way possible for our community while ensuring we follow the safety measures that the county and state has put forth. We have also had to postpone our swim lessons and movie nights out on the lawn of the Cabana Club for now but are hopeful that we might be able to engage in these activities for at least part of the summer. We should have further updates for you by our next newsletter. You can also find updates on the status of the Cabana Club on our website at www.creeksidecabanaclub.com under the “COVID-19 update” tab at the top of the webpage. Should you have any questions or concerns, you can also contact me, Ivonne Luescher, by email at creeksidecabanaclub@gmail.com. Until then, please be patient with us as we try to figure it all out and remember we are all in this together. Finally, although we are asked to social distance during this time, it does not mean that we can’t spread kindness and help others. We need to show now, more than ever, as to what makes our community great! Show we care about our neighbors and others, stay positive, and support one another in our community through this all! Things might look a little different than what we are used to if we reopen the Cabana Club, but we plan on making it an enjoyable and safe experience for all and still the place to be for summer!

HOW YOU CAN CONTINUE TO HELP

1. ***Start a Phone Tree:*** Check on seniors, disabled or other at-risk neighbors in your area by checking in with them with a phone call to make sure that they are safe.
2. ***Offer Help To Neighbors When Needed:*** Offer to help the seniors, the homebound, and those in need in your neighborhood by running errands such as buying groceries for them. You can connect with them through Facebook, Nextdoor or a simple phone call.
3. ***Connect with great organizations to help those in need:*** Look for organizations that can help connect you with those in need in your community. Two worth noting are **Helping Hands** (<https://helpinghands.community>) and **EchoCompassion** (<https://www.echocompassion.com>) that can match those that are available to help with those in the Bay Area affected by COVID-19.
4. ***Donate food or volunteer to distribute food if healthy at local food bank:*** Food banks such as Second Harvest of Silicon Valley are in major need of help. Also, if you have an excess of fresh fruit and vegetables which you harvest in your own backyard, you can consider donating them through Village Harvest. More information can be found at <https://www.villageharvest.org/dropoff>.
5. ***Give Blood:*** Find a blood drive near you and donate if you are healthy enough to give blood as there is an urgent need for it at the moment. There is one taking place at St. Francis of Assisi in Evergreen on Saturday June 13, 2020 from 8 AM to 2 PM (see page 4 of this newsletter). Right now, there is an immediate need for type O-. You can also go to the American Red Cross at <https://www.redcross.org> to find a blood drive near you.
6. ***Support Your Local Businesses:*** Many businesses are struggling to get back on their feet at the moment. Help your local businesses by shopping local whenever you can, creating a new take out tradition, purchasing gift cards for later use, continuing to pay people you use for routine and domestic services their normal rate if you can, and writing positive experiences you have had on social media.
7. ***34 Simple Ways To Help Others During The COVID-19 Pandemic:*** <https://www.care.com/c/stories/16698/ways-to-help-others-coronavirus>

IN LOVING MEMORY

Fatima Freitas Michels

May 10, 1967 – January 30, 2020

It is with a heavy heart I share the sad news of the passing earlier this year of Fatima Freitas Michels. If her name sounds familiar, it should. She raised her son for a short time in the Creekside area and she was a realtor who advertised for many years in the Creekside Chronicle. She will be remembered as an extremely generous and kind person with a sweet soul. A testimonial statement one of her clients left on her Facebook site says a lot about the type of person she was: "It's been 16 years since I bought this house. However, every Christmas my realtor brings me a gift. Last month I received a birthday card from her and today she came to my house to bring me a gift on Mother's Day. Thank you Fatima Freitas Michels! You're the best!".

Fatima passed away on the morning of Thursday, January 30, 2020, surrounded by family and friends. Fatima is survived by her brother Robert "Robbie" Freitas, her son Brandon, her daughter Mackenzie, her parents Joe Freitas and Valentina Rodrigues as well as many of her aunts, uncles and cousins. Fatima was born on May 10, 1967 and was a lifelong resident of San Jose. She graduated from James Lick High School in 1985 and worked as a full-time realtor in the Bay Area for the past 29 years.

Her friends describe Fatima as a thrill seeker at heart who loved to sky dive and fly in airplanes. She also loved going to the lake of which Discovery Bay was her favorite. Fatima thought the perfect day was enjoying a leisurely time on the boat with friends and family, while listening to country music. She loved to cook and loved people and bringing the two together made for the perfect evening. She will be dearly missed by the many people she touched. Rest in peace Fatima.

The loves of Fatima's life, her kids!

Note From Our Associate Membership Chairperson, Denelle Fedor

Welcome Associate Members! I hope everyone is doing well and staying safe. I want to echo the sentiments of our Creekside Cabana Club pool manager, Ivonne Luescher, in giving a big 'Shout Out' to ALL of our health care workers, doctors, nurses and hospital staff, emergency medical services workers, San Jose Fire Department, San Jose Police Department, and all of the volunteers who have given unconditionally of their time. **THANK YOU ALL!**

Effective June 5, 2020, the County of Santa Clara announced a new phase of Shelter in Place that would allow public pools to reopen with certain safety protocols in place, such as social distancing. We are not sure what the guidelines are at this time but will keep you updated, and hopefully have more information available in our next newsletter as we formulate a possible plan to reopen. In the meantime, please do not hesitate to reach out to our pool manager or myself with any questions.

As you will recall, the previous Shelter in Place mandates did not yet allow public pools to open when we would have normally opened the Creekside Cabana Club. Given that, the Creekside Cabana Board approved three refund options listed below. These refunds are ONLY being offered for this year, 2020, because of COVID-19. If you have already responded to me with your choice of options before this most recent loosening of restrictions to Shelter in Place and you would now like to change your choice, please contact me and we can discuss your new preference. I can be reached directly on my cell phone (text or phone) at (408) 426-7891 or by email at denellefedor@sbcglobal.net. The options for a refund are as follows:

1) **FULL Associate Membership REFUND:**

We recognize that if the Cabana Club were to reopen, it would be open for a shortened season. If you choose a full refund of \$450 now, it means that you will not be able to rejoin this summer should the pool reopen. This option would also remove you from your status as a 'current' associate member. You would be able to rejoin next year (2021), but only if slots are available after all the 'current' associate members have had a chance to renew.

2) **Creekside Cabana Club retains \$40 and refunds \$410:**

If you chose this option now, we refund you \$410 and it means that you will not be able to join this summer should the pool reopen. However, this option will allow you to remain a 'current' associate member and the \$40 we keep provides you a guaranteed membership renewal option for the 2021 season.

3) **Creekside Cabana Club holds onto your fee:**

This option is available for those who held out hope that the Cabana Club may reopen this summer and if so were planning to utilize the pool for what is left of the 2020 summer. If you have already chosen or plan to choose this option, your associate membership fee would be held until the end of the season of the normal pool season and you would then be refunded at a prorated amount. This refunded amount will be based on the total number of months the pool is open for the 2020 season. Additionally, you maintain your status as a 'current' associate member with the option of renewing your membership 2021.

In closing, I would like to say "**THANK YOU ASSOCIATE MEMBERS** for your patience and understanding during this time"! I will strive to make this new process for the 2020 season seamless for everyone. Please bear with me through it all and feel free to contact me for any questions you may have, whether they pertain to membership for 2020 or 2021. We will make sure to keep you informed as to when and how we plan to reopen the Cabana Club under the new guidelines. Stay well and continue to shower your environment with kindness!

Been interested in taking karate? If so, then we are excited to report that with the newest Shelter in Place mandate and loosening of some of the restrictions, Dragon Cloud Dojo Creekside is hoping to resume offering karate **classes starting Monday, July 6, 2020!** Our **INTENTION** is to hold classes outside of the clubhouse at the Creekside Cabaña Club. Social distancing and facemasks will be required but we must await the board's approval before we can proceed. There should be more information about this in the next newsletter, but you can also contact Senseis James and Deborah for any updates. If we are able to resume, we hope to see returning students and many new faces on July 6th (even if we can't see your faces under the masks 😊)! Come check out our karate classes taught by two seasoned karate instructors, Senseis James and Deborah Garner where we are sure to have a class for you! We offer beginner classes for kids ages 6 to 13 years old as well as for adults ages 14 and up. Also, if you or someone you know is more experienced and want to continue taking karate lessons at the Cabana Club, make sure to take advantage of the other classes that Sensei James and Deborah offer and teach which include Intermediate, Mixed Belts, and Advanced. A full list of our class offerings, times and much more information about our karate program can be found on our website at www.dragoncloudsj.com. A great outlet at any age, so drop in anytime and give it a try! For more information about any of their classes, don't hesitate to contact Sensei James or Deborah Garner directly by phone at (408) 223-7233 or by email at dragonclouddeb@gmail.com. Sensei James and Deborah Garner are both 5th degree black belts as well as two time Hall of Fame award winners so don't miss out on this great opportunity to learn from them!

FUN ACTIVITIES FOR THE WHOLE FAMILY

Message From Your Cuda Parent Rep, Angela Smith

Hello Cudas! I want to reiterate a big “thank you” to all the frontline workers and those who have made personal sacrifices to assist those in need through this pandemic. I also hope that everybody is staying well, healthy, safe and practicing social distancing to help get us past this pandemic.

Unfortunately, given the current environment, and under the current mandates of CDC, USA Swimming, Pacific Swimming and Santa Clara County, the Cabana League has come to the conclusion that we will not have a season for 2020. Our Cabana League has been in existence for over 50 years and we have built a strong community based on traditions, fun and competition, so it was a difficult decision and not one taken lightly. The relationships and memories we build together is a highlight of our summers and we were sincerely hoping that we would salvage even a shortened season. With that said, what is of utmost importance is the health and safety of our swimmers, coaches and swim team families, and we appreciate your understanding with the League's decision. Thus, Champs has been canceled as well as all dual meets. We will continue to monitor the mandates for any updates that may allow us to celebrate our season in a different capacity. Whether that is age group activities, parades, or breakfasts, we hope to find a way to continue fostering the community spirit.

With the decision not to have a season this year, I would like to address a few concerns. First, pertaining to those families that have paid swim team registration fees for this 2020 Cuda season, if you paid with credit card, we are currently in the process of refunding your fee minus any “credit card convenience fees” to the credit card you have on file. If you paid by check, the check will not have been cashed yet and, therefore, we will simply proceed to shred any checks. For any other questions regarding swim team registration fees for this year, please send an email to registration@creeksidecudas.com. Second, pertaining to swimsuit and apparel payments and volunteer deposit checks, all swimsuit checks, apparel checks and volunteer deposit checks will be shredded. You may also take the additional step with your bank to void the check you submitted if you have any concerns. Finally, pertaining to associate membership refunds for this 2020 season, please refer to our Associate Membership Chairperson Denelle Fedor’s note on page 7 of this newsletter or inquire with her directly at denellefedor@sbcglobal.net.

The Cuda Board understands that all of our swim season is something that all of our swimmers look forward to, especially our seniors. In that spirit, the Cabana Board unanimously voted that any graduating 2020 class senior that would like to come back and compete next year during the 2021 season will be allowed to do so. The details of how this will look for next year 2021 will be discussed and decided on by the Cabana Board when they meet again in June. Many of our seniors have BIG plans for the future, so the Cuda board will also take up discussions about how we can celebrate and honor the accomplishments of these seniors before they depart for their new college endeavors. We are also reaching out to our Cuda community for help, so please send any creative and thoughtful ideas to computers@creeksidecudas.com. A list of these various ideas will be compiled where you can also make additions or suggestions. Stay tuned as we finalize the events and details to show our appreciation to the seniors for the amount of time and effort they have put into our team over the years.

We will be asking our 2020 captains if they would like to return as captains for our 2021 season. Also, for anyone who is interested in a leadership position, we will be opening up applications for our 2021 season. Stay tuned for more information on that application process and qualification criteria. While there is still a great deal of uncertainty as to what we will be able to implement in the future, we hope to have our Fall Winter Conditioning Program. A final decision will be driven by the state and county mandates that are in place at that time. For now, keep our Fall Winter Conditioning Program in the back of your mind as Coach Brad and his assistant coaches really hope to be back in the water as a swim team by then.

Despite no swim season this year, our Cuda swim team will continue to show our spirit around the neighborhood. Unfortunately, due to the shortage of toilet paper, one tradition we cannot follow this year is toilet papering swimmers' houses. Still, we have many talents outside the pool and the Cuda Board will be discussing safe ways we can show our Cuda spirit. For example, for those of our artistic swimmers, we would love to see some amazing sidewalk chalk artwork and murals containing positive thoughts and sayings that are inspired by our Cuda swim team. Be sure to take pictures and send them to parentreps@creeksidecudas.com so we can make a collage for our swim team members! Know that while we may not be able to gather right now, we are still Cudas, still here and missing you all! You have not heard the last of us and we are already looking forward to continuing our safe celebrations through the summer. Hopefully by the next newsletter, we will have some more updates on different events and things we have planned that you can safely partake in under the newest county and state mandates.

If you thought toilet was crazy.....just wait until 300 million people all want a haircut appointment

SAFELY ENJOY THE OUTDOORS!

The warm weather is here, so be sure to get out, stay fit, and safely enjoy the outdoors! While getting out to get exercise and enjoy the fresh air has proven to help reduce both stress and anxiety, please make sure to remember to practice social distancing. This means staying a **minimum of 6 feet** away from people you do not live with, yielding to others at all times, and wearing facemasks when necessary. You can also visit <https://www.sccgov.org/sites/parks> for more information on keeping safe outdoors during the pandemic. Below are a few of the parks that are worth checking out.

- ✚ **Coyote Valley Open Space Preserve:** Offers a great short hike.
- ✚ **Bernal Historic Ranch Park:** This is fun to do with kids as it has a chicken coop and historic house.
- ✚ **Grant Ranch Park:** This is a lot of people’s favorite because it has tons of trails. Snakes have been seen here so beware but so have bald eagles. There are lots of cows and some pigs too.
- ✚ **Calero county Park:** This one is usually popular among both bikers and hikers.
- ✚ **Almaden Quicksilver Park:** This one is also popular among both bikers and hikers because of its diversity and during the early spring, it offers one of the most spectacular wildflower displays.
- ✚ **Rancho Canada de Oro:** This one makes for a beautiful hike.

- ✚ **Reading Contest:** Read to learn and win prizes from June 1st to July 31st! The San Jose Public Library invites readers of all ages to challenge themselves and expand their knowledge over the summer by reading and learning. To register and start logging your reading go to www.sjpl.org/summer.
- ✚ **Graphic Novel Making Contest:** Get ready, set, draw! If you have a talent for creating comic/manga-style illustrated short stories, you are invited to enter San José Public Library’s annual Graphic Novel Making Contest for all ages as part of our 2020 Summer Learning Challenge which runs from June 1st to July 31st. Graphic novel submissions are due by July 31, 2020 at 11:59 PM and more information about this including submission guidelines can be found at www.sjpl.org/blog/graphic-novel-making-contest-2020.
- ✚ **Virtual Programs From San Jose Public Library:** Go to www.sjpl.org/sjplvideo to engage in all sorts of virtual programs **FOR FREE** which include but are not limited to Online Storytimes, STEAM Projects & Learning, as well as Arts & Crafts.
- ✚ **Camp Guadalupe:** Why should fun and learning stop during summer? This camp allows participants with an educational, affordable, fun and engaging way to enjoy learning through observation and experimentation. Each week is a different program in areas such as physics, chemistry, creepy and crawly creatures, birds, plants, rocks and much more to provide a unique experience and use natural phenomena to drive student learning. Camp Guadalupe will be online, using a distance learning model for June 2020, or until restrictions lift and we believe it is safe to move camp back to the Guadalupe River Park and meet in person.
